This collective agreement recognizes the duty of the Board and the Association to co-operate fully to provide the highest quality of educational service possible. It is further recognized that it is in the mutual interest of the Board, the Association, and teachers to provide for the efficient and orderly operation of the schools within the school district under methods which will further, to the fullest extent possible, the education of the pupils in the school district.

DEFINITION OF TERMS

1. An "employee" as used in this agreement shall mean a teacher who possesses a valid B.C. Teaching Certificate and who is on a continuing, temporary or probationary appointment.
2. A "teacher teaching on call" shall mean an employee who possesses a valid B.C. Teaching Certificate who performs teacher teaching on call duties for the Board.
3. The "School Act and Regulations" as referred to in this collective agreement shall be the School Act and Regulations in force and effect.
4. An "Administrative Officer" shall mean a Principal, Vice Principal or Director of Instruction.

Note: Common Provincial provisions are found at the beginning of each Section. Previously negotiated local provisions commence at Article 20 in each Section. Previously negotiated local provisions which have been moved into Common Provincial provisions are identified below a heading of "Local Provisions."

SECTION A THE COLLECTIVE BARGAINING RELATIONSHIP

ARTICLE A.1 TERM, CONTINUATION AND RENEGOTIATION

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement that was in effect between the two parties for the period July 1, 2013 to June 30, 2019 including any amendments agreed to by the parties during that period.

1. Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2019 to June 30, 2022. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.
2. In the event that a new Collective Agreement is not in place by June 30, 2022 the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.
3. All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.
4.
 - a. If employees are added to the bargaining unit established under section 5 of the *Public Education Labour Relations Act* during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.
 - b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.
 - c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.
5.
 - a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.
 - b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.
 - c.
 - i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See Letter of Understanding No. 1).

- ii. The parties may agree to another designation which is consistent with the *Public Education Labour Relations Act*.

ARTICLE A.2 RECOGNITION OF THE UNION

1. The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to *PELRA* and subject to the provisions of this Collective Agreement.
2. Pursuant to *PELRA*, the employer in each district recognizes the local [VINTA] as the teachers' union for the negotiation in that district of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in that district subject to *PELRA* and the Provincial Matters Agreement.
3. The BCTF recognizes BCPSEA as the accredited bargaining agent for every school board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the school boards and to bind the school boards by collective agreement in accordance with Section 2 of Schedule 2 of *PELRA*.

ARTICLE A.3 MEMBERSHIP REQUIREMENT

1. All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers' Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.
2. Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

ARTICLE A.4 LOCAL AND BCTF DUES DEDUCTION

1. The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.

2. At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties.
3. The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.
4. The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer.
5. The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

Local Provisions:

6. Teacher Regulation Branch Fees

Upon receipt of signed authorization forms, the Board shall deduct, from the earnings of every employee, such fees required for membership in the Teacher Regulation Branch established under the Teachers Act and remit the same to the Branch when notified of the fees by VINTA or the Teacher Regulation Branch .

ARTICLE A.5 COMMITTEE MEMBERSHIP

1. Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.
2. In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee, and the local shall appoint the representatives. The local will consider the mandate of the committee when appointing the representatives. If the employer wishes to discuss the appointment of a representative, the superintendent, or designate, and the president or designate of the local may meet and discuss the matter.
3. Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher teaching on call (TTOC) costs shall be borne by the employer.
4. When a TTOC is appointed to a committee referred to in Article A.5.1 and A.5.2 above, and the committee meets during normal instructional hours, the TTOC shall be paid pursuant to the provisions in each district respecting TTOC Pay and Benefits. A TTOC

attending a “half day” meeting shall receive a half day’s pay. If the meeting extends past a “half day,” the TTOC shall receive a full day’s pay.

ARTICLE A.6 GRIEVANCE PROCEDURE

1. Preamble

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

Steps in Grievance Procedure

2. Step One

- a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.
- b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

3. Step Two

- a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.
- b. The grievance shall be presented in writing giving the general nature of the grievance.

4. Step Three

- a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.

If both parties agree and the language of the previous Local Agreement stipulates:

- i. the number of representatives of each party at Step Three shall be three; and/or
 - ii. at least one of the employer representatives shall be a trustee.
- b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

5. Omitting Steps

- a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.
- b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

6. Referral to Arbitration: Local Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a "local matters grievance," as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a "local matters grievance." The parties shall agree upon an arbitrator within ten (10) working days of such notice.

7. Referral to Arbitration: Provincial Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a "provincial matters grievance," as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a "provincial matters grievance." The parties shall agree upon an arbitrator within ten (10) working days of such notice.
- c. Review Meeting:
 - i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a provincial matters grievance that has been referred to arbitration.
 - ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the

arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.

- iii. Each party shall determine who shall attend the meeting on its behalf.

8. Arbitration (Conduct of)

- a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.
- b. The arbitrator shall determine the procedure in accordance with relevant legislation and shall give full opportunity to both parties to present evidence and make representations. The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.
- c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.
- d. Authority of the Arbitrator:
 - i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
 - ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
 - iii. The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.
- e. The decision of the arbitrator shall be final and binding.
- f. Each party shall pay one half of the fees and expenses of the arbitrator.

9. General

- a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.
- b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.
- c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.
- d. No employee shall suffer any form of discipline, discrimination or intimidation by the employer as a result of having filed a grievance or having taken part in any proceedings under this article.
- e.
 - i. Any employee whose attendance is required at any grievance meeting pursuant to this article, shall be released without loss of pay when such meeting is held during instructional hours. If a teacher teaching on call (TTOC) is required, such costs shall be borne by the employer.
 - ii. Any employee whose attendance is required at an arbitration hearing shall be released without loss of pay when attendance is required during instructional hours; and
 - iii. Unless the previous Local Agreement specifically provides otherwise, the party that requires an employee to attend an arbitration hearing shall bear the costs for any TTOC that may be required.

Local Provisions:

- iii. policy or general grievances.

ARTICLE A.7 EXPEDITED ARBITRATION

The case management process shall include a time frame for the exchange of particulars and documents, a timeframe for written submissions if directed by the arbitrator, an agreed statement of facts, or any other process considered by the arbitrator to be effective in ensuring an expeditious resolution to the dispute. The parties will endeavour to exchange information as stipulated in the case management process within seven (7) days.
- d. If an oral hearing is scheduled by the arbitrator it shall be held within fourteen (14) days of the referral to the arbitrator. The hearing shall be concluded within one (1) day.
- e. The written submissions shall not exceed ten (10) pages in length.
- f. As the process is intended to be informal and non-legal, neither party will be represented by outside legal counsel .
- g. The parties will use a limited number of authorities.
- h. The arbitrator will issue a decision within five (5) days of the conclusion of the arbitration or submission process.
- i. Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution.

- j. All decisions of the arbitrator are final and binding and are to be limited in application to the particular grievance and are without prejudice. They shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter.
- k. Neither party shall appeal or to seek to review a decision of the arbitrator.
- l. The arbitrator retains jurisdiction with respect to any issues arising from their decision.
- m. Except as set out herein, the arbitrator under this process shall have the powers and jurisdiction of an arbitrator prescribed in the Labour Relations Code of British Columbia.

- o. Representatives of BCPSEA and BCTF will meet yearly to review the expedited arbitration process.

ARTICLE A.8 LEAVE FOR PROVINCIAL CONTRACT NEGOTIATIONS

- 1. The employer shall grant a leave of absence without pay to an employee designated by the BCTF for the purpose of preparing for, participating in or conducting negotiations as a member of the provincial bargaining team of the BCTF.

- 3. Any other leaves of absence granted for provincial bargaining activities shall be granted on the basis that the salary and benefits of the employees continue and the BCTF shall reimburse the employer for the salary costs of any teacher employed to replace a teacher granted leave.
- 4. Any leaves of absence granted for local bargaining activities shall be granted in accordance with the Previous Local Agreement.

ARTICLE A.9 LEGISLATIVE CHANGE

- 1. In this article, “legislation” means any new or amended statute, regulation, Minister’s Order, or Order in Council which arises during the term of the Collective Agreement or subsequent bridging period.
- 2. a. Should legislation render any part of the Collective Agreement null and void, or substantially alter the operation or effect of any of its provisions, the remainder of the provisions of the Collective Agreement shall remain in full force and effect.

- b. In that event, the parties shall meet forthwith to negotiate in good faith modifications to the Collective Agreement which shall achieve, to the full extent legally possible, its original intent.
- 3. If, within thirty (30) days of either party's request for such meeting, the parties cannot agree on such modifications, or cannot agree that the Collective Agreement has been affected by legislation, either party may refer the matter(s) in dispute to arbitration pursuant to Article A.6 (Grievance Procedure).

Re: Agreed Understanding of the Term Teacher Teaching on Call

For the purposes of this collective agreement, the term Teacher Teaching on Call (TTOC) has the same meaning as Teacher on Call/Employee on Call (TOC/EOC) as found in the 2006-2011 Collective Agreement/Working Documents and is not intended to create any enhanced benefits.

The parties will set up a housekeeping committee to identify the terms in the collective agreement/working documents that will be replaced by Teacher Teaching on Call (TTOC).

Re: Article C.2. – Porting of Seniority – Separate Seniority Lists

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
 - Both K – 12 and adult education seniority are contained on a single list in both districts.
 - Normal rules of porting apply.
 - No more than 1 year of seniority can be credited and ported for any single school year.
 - Maximum of 20 years can be ported.
2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
 - Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
 - Both lists remain separate when porting.
 - Up to 20 years of K – 12 and up to 20 years of adult education can be ported to the corresponding lists.
3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
 - A combined total of up to 20 years of seniority can be ported.
 - No more than 1 year of seniority can be credited for any single school year.
4. Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
 - Up to 20 years of seniority could be ported to the seniority list to which the continuing appointment was received.

- No seniority could be ported to the other seniority list.
- For example, teacher A in District A currently has 24 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 20 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave – Simultaneously Holding Part-Time Appointments in Two Different Districts

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1 of the provincial collective agreement with respect to the situation where a teacher simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e., currently holds a part-time continuing appointment in one (1) district and then subsequently obtains a second part-time continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either resigns/terminates their employment from the porting district or receives a full leave of absence from the porting district.
2. The requirement for the teacher to initiate the sick leave verification process (90 days from the initial date of hire) and the seniority verification process (within 90 days of a teacher's appointment to a continuing contract) and forward the necessary verification forms to the previous school district shall be held in abeyance pending either the date of the employee's resignation/termination of employment from the porting district or the employee receiving a full leave of absence from the porting district.
3. Should a teacher port seniority under this Letter of Understanding, there will be a period of time when the employee will be accruing seniority in both districts. For this period of time (the period of time that the teacher simultaneously holds part-time continuing appointments in both districts up until the time the teacher ports), for the purpose of porting, the teacher will be limited to a maximum of 1 years seniority for each year.
4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this letter of understanding, the rules and application described in the Irene Holden award of June 7, 2007 concerning porting while on full-time leave shall then apply.
5. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed and considered at labour management.

The following examples are intended to provide further clarification:

Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the employee has resigned or terminated their employment in district A. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for their full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee's leave of absence is effective. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority – Laid off Teachers who are Currently on the Recall List

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial collective agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

1. Laid off teacher holding recall rights in one school district may port up to twenty (20) years of seniority to a second school district when they secure a continuing appointment in that second school district.
2. Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in their previous district.
3. If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.
4. If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.
5. The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.

6. Consistent with Irene Holden’s previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.
7. This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district “A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. This teacher after working 1 year in district “B” accepts recall to a continuing appointment in district “A”. Only 3 years of seniority would be ported back to district “A” and for record keeping purposes, the teacher’s seniority record in district “B” would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district ‘A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. After working 2 years in school district “B” this teacher’s recall rights in school district “A” are lost. No further seniority can be ported from district “A” to district “B” and for record keeping purposes, the teacher’s seniority record in district “A” would be zero for all purposes.

Re: Article C.4 TTOC Employment – TTOC Experience Credit Transfer within a District

The purpose of this letter of understanding is to address situations within a single district where a temporary/continuing teacher is also currently a Teacher Teaching on Call (TTOC) or in the past has been a TTOC.

Teachers described above accrue experience for the purpose of increment advances under two (2) separate collective agreement provisions (silos), i.e., within a district, the employee triggers increments under Article C.4 for TTOC experience accrued and may also trigger increments under the applicable previous local agreement increment language for temporary/continuing experience accrued.

In order to allow a TTOC the opportunity to transfer, within a district, their TTOC experience earned under Article C.4 (new provision effective September 19, 2014) towards that of the applicable previous local collective agreement increment language for continuing and/or temporary employees, the parties agree to the following:

1. This option can only be exercised where in a single district a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC in the same district.
2. This agreement only applies to TTOC experienced earned under Article C.4 since September 19, 2014 in that district.
3. This agreement only applies to a transfer within a district. This agreement is in no way applicable to a transfer of experience or recognition of experience between districts.
4. The transfer of experience credit can only be transferred one way; from that of TTOC experience earned under Article C.4 to that of the temporary/continuing previous local agreement increment provision, i.e., it cannot be transferred for any reason from that of temporary/continuing to that of a TTOC.
5. Transfers can only be made in whole months.
6. For the purpose of transfer, 17 FTE days of TTOC experience credit will equal/be converted to one month of experience credit.
7. Should the teacher choose the option to transfer, transfers must be for the entire amount of TTOC experience in their Article C.4 bank on the deadline date for notice, i.e., with the

exception of any leftover days remaining (1 – 16 days) after the whole month conversion calculation is made, no partial transfer of TTOC experience are permitted. (See example below).

8. Once transferred, the previous local collective agreement increment provisions for temporary/continuing employees (including effective date of increment) will apply to the TTOC experience transferred.
9. Transfers can only occur and take effect twice a year (August 31 and December 31).
10. For a transfer to occur effective August 31st, written notice from the employee to transfer must be received by the district no later than June 30th of the preceding school year (see attached form A). This transfer would only include the TTOC experience accrued up until June 30th of the preceding school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4.
11. For a transfer to occur effective December 31st, written notice from the employee to transfer must be received by the district no later than November 15th of the school year (see attached form B). This transfer would only include the TTOC experience accrued up until November 15th of the school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4. (See attached form B)
12. This agreement takes effect on the signatory date of LOU 16(c) signed below.

Example:

1. On June 1, 2015, Teacher A provides written notice to the district that they would like to transfer their Article C.4 TTOC experience that they will have accrued up until June 30, 2015 (in terms of closest equivalent month) to their temporary/continuing previous local agreement increment experience bank.
2. On June 30, 2015, Teacher A has 70 TTOC days of experience accrued under Article C.4.
3. On August 31, 2015, 4 months of experience would be transferred to their experience bank under the applicable previous local collective agreement increment language for continuing and/or temporary employees and 2 days of TTOC experience would remain in their TTOC bank under Article C.4. (70 divided by 17 = 4 whole months, with 2 days remaining)
4. Effective August 31, 2015, the previous local collective agreement increment language for temporary/continuing employees would then apply to the 4 months of experience that was transferred.

LETTER OF UNDERSTANDING NO. 12

BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Agreement Regarding Restoration of Class Size, Composition, Ratios and Ancillary Language

WHEREAS the Parties acknowledge that, as a result of the majority of the Supreme Court of Canada, adopting Justice Donald's conclusion that the *Education Improvement Act* was unconstitutional and of no force or effect, that the BCPSEA – BCTF collective agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* are restored.

AND WHEREAS the Parties further acknowledge that the Supreme Court of Canada's decision triggered Letter of Understanding No. 17 to the 2013 – 2019 BCPSEA – BCTF Provincial collective agreement which required the Parties to re-open collective agreement negotiations regarding the collective agreement provisions that were restored by the Supreme Court of Canada.

AND WHEREAS the Parties further acknowledge that Letter of Understanding No.17 required an agreement “regarding implementation and/or changes to the restored language”.

AND WHEREAS this Memorandum of Agreement has been negotiated pursuant to the Letter of Understanding No. 17 fully and finally resolves all matters related to the implementation of the Supreme Court of Canada's Decision. As such, the Parties acknowledge that the re-opener process set out in Letter of Understanding No. 17 has been completed.

THEREFORE THE PARTIES AGREE THAT:

I. IMPLEMENTATION OF THIS LETTER OF UNDERSTANDING

Shared Commitment to Equitable Access to Learning

1. All students are entitled to equitable access to learning, achievement and the pursuit of excellence in all aspects of their education. The Parties are committed to providing all students with special needs with an inclusive learning environment which provides an opportunity for meaningful participation and the promotion of interaction with others. The implementation of this Letter of Understanding shall not result in any student being denied access to a school educational program, course, or inclusive learning environment unless the decision is based on an assessment of the student's individual needs and abilities.

Schedule "A" of All Restored Collective Agreement Provisions

2. The Parties have developed a Schedule of BCPSEA-BCTF collective agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* ("the restored collective agreement provisions") that will be implemented pursuant to this Letter of Understanding. This Schedule is attached to this Letter of Understanding as Schedule "A".

Agreement to be Implemented

3. School staffing will be subject to the terms and this Letter of Understanding, comply with the restored collective agreement provisions that are set out in Schedule "A".

II. NON-ENROLLING TEACHER STAFFING RATIOS

4. All language pertaining to learning specialists shall be implemented as follows:
 - A. The minimum district ratios of learning specialists to students shall be as follows (except as provided for in paragraph 4(B) below):
 - i. Teacher librarians shall be provided on a minimum pro-rated basis of at least one teacher librarian to seven hundred and two (702) students;
 - ii. Counsellors shall be provided on a minimum pro-rated basis of at least one counsellor to six hundred and ninety-three (693) students;
 - iii. Learning assistance teachers shall be provided on a minimum pro-rated basis of at least one learning assistance teacher to five hundred and four (504) students;

- iv. Special education resource teachers shall be provided on a minimum pro-rated basis of at least one special education resource teacher to three hundred and forty-two (342) students;
 - v. English as a second language teachers (ESL) shall be provided on a minimum pro-rated basis of at least one ESL teacher per seventy-four (74) students.
- B. For the purpose of posting and /or filling FTE, the Employer may combine the non-enrolling teacher categories set out in paragraph 4 (A) (iii) - (v) into a single category. The Employer will have been deemed to have fulfilled its obligations under paragraphs 4 (A) (iii) – (v) where the non-enrolling teacher FTE of this single category is equivalent to the sum of the teachers required from categories 4 (A) (iii)-(v).
- C. Where a local collective agreement provided for services, caseload limits, or ratios additional or superior to the ratios provided for in paragraph 4 (A) above – the services, caseload limits or ratios from the local collective agreement shall apply. (Provisions to be identified in Schedule “A” to this Letter of Understanding).
- D. The aforementioned employee staffing ratios shall be based on the funded FTE student enrolment numbers as reported by the Ministry of Education.
- E. Where a non-enrolling teacher position remains unfilled following the completion of the applicable local post and fill processes, the local parties will meet to discuss alternatives for utilizing the FTE in another way. Following these discussions the Superintendent will make a final decision regarding how the FTE will be deployed. This provision is time limited and will remain in effect until the renewal of the 2019 – 2022 BCPSEA – BCTF provincial collective agreement. Following the expiration of this provision, neither the language of this provision nor the practice that it establishes regarding alternatives for utilizing unfilled non-enrolling teacher positions will be referred to in any future arbitration or proceeding.

III. PROCESS AND ANCILLARY LANGUAGE

5. Where the local parties agree they prefer to follow a process that is different than what is set out in the applicable local collective agreement process and ancillary provisions, they may request that the Parties enter into discussions to amend those provisions. Upon agreement of the Parties, the amended provisions would replace the process and ancillary provisions for the respective School District and local union. (Provisions to be identified in Schedule “A” to the Letter of Understanding).

IV. CLASS SIZE AND COMPOSITION

PART 1: CLASS SIZE PROVISIONS

6. The BCPSEA – BCTF collective agreement provisions regarding class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented as set out below:

Class Size Provisions: K - 3

The size of primary classes shall be limited as follows:

- A. Kindergarten classes shall not exceed 20 students;
 - B. Grade 1 classes shall not exceed 22 students;
 - C. Grade 2 classes shall not exceed 22 students;
 - D. Grade 3 classes shall not exceed 22 students.
7. Where there is more than one primary grade in any class with primary students, the class size maximum for the lower grade shall apply.
8. Where there is a combined primary/intermediate class, an average of the maximum class size of the lowest involved primary grade and the maximum class size of the lowest involved intermediate grade will apply.

K-3 Superior Provisions to Apply

9. For primary and combined primary/intermediate classes where the restored collective agreement provisions provide for superior class size provisions beyond those listed in paragraphs 6 through 8 above, the superior provisions shall apply. [Provisions to be identified in Schedule “A” to this Letter of Understanding].

Class Size Language: 4-12

10. The BCPSEA-BCTF collective agreement provisions regarding Grade 4–12 class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented.

PART II – CLASS COMPOSITION PROVISIONS

Implementation of Class Composition Language

11. The BCPSEA-BCTF collective agreement provisions regarding class composition that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented. The Parties agree that the implementation of this language shall not result in a student being denied access to a school, educational program, course, or inclusive learning environment unless this decision is based on an assessment of the student's individual needs and abilities.
12. The parties agree that the August 28, 2019 Jackson Arbitration on *Special Education Designations* is binding on the parties and that Arbitrator Jackson maintains jurisdiction on the implementation of the award.

PART III: CLASS SIZE AND COMPOSITION COMPLIANCE AND REMEDIES

Efforts to Achieve Compliance: Provincial Approach

13. The Parties agree that paragraphs 14-16 of this agreement establish a provincial approach regarding the efforts that must be made to comply with the class size and composition provisions set out in Schedule "A" to this agreement and the remedies that are available where non-compliance occurs. This provincial approach applies to all School Districts and replaces all restored collective agreement provisions related to compliance and remedies for class size and composition. For clarity, the restored collective agreement compliance and remedy provisions that are replaced by this provincial approach are identified in Schedule "A" to this Letter of Understanding. The Parties commit to reviewing this provincial approach in the 2022 round of negotiations.

Best Efforts to Be Made to Achieve Compliance

14. School Districts will make best efforts to achieve full compliance with the collective agreement provisions regarding class size and composition. Best efforts shall include:
 - A. Re-examining existing school boundaries;
 - B. Re-examining the utilization of existing space within a school or across schools that are proximate to one another;
 - C. Utilizing temporary classrooms;

D. Reorganizing the existing classes within the school to meet any class composition language, where doing so will not result in a reduction in a maximum class size by more than:

- five students in grades K-3;
- four students for secondary shop or lab classes where the local class size limits are below 30, and;
- six students in all other grades.

These class size reductions shall not preclude a Superintendent from approving a smaller class.

Note: For the following School Districts, class sizes for K-1 split classes will not be reduced below 14 students:

- School District 10 (Arrow Lakes)
- School District 35 (Langley)
- School District 49 (Central Coast)
- School District 67 (Okanagan-Skaha)
- School District 74 (Gold Trail)
- School District 82 (Coast Mountain)
- School District 85 (Vancouver Island North)

E. Renegotiating the terms of existing lease or rental contracts that restrict the School District's ability to fully comply with the restored collective agreement provisions regarding class size and composition;

F. Completing the post-and-fill process for all vacant positions.

Non-Compliance

15. Notwithstanding paragraph 14, the Parties recognize that non-compliance with class size and composition language may occur. Possible reasons for non-compliance include, but are not limited to:

- compelling family issues;
- sibling attendance at the same school;
- the age of the affected student(s);
- distance to be travelled and/or available transportation;

- safety of the student(s);
- the needs and abilities of individual student(s);
- accessibility to special programs and services;
- anticipated student attrition;
- time of year;
- physical space limitations;
- teacher recruitment challenges.

Remedies for Non-Compliance

16. Where a School District has, as per paragraph 14 above, made best efforts to achieve full compliance with the restored collective agreement provisions regarding class size and composition, but has not been able to do so:

A. For classes that start in September, the District will not be required to make further changes to the composition of classes or the organization of the school after September 30 of the applicable school year. It is recognized that existing “flex factor” language that is set out in the restored collective agreement provisions will continue to apply for the duration of the class.

For classes that start after September, the District will not be required to make further changes to the composition of classes or the organization of schools after 21 calendar days from the start of the class. It is recognized that existing “flex factor” language that is set out in the restored collective agreement provisions will continue to apply for the duration of the class.

B. Teachers of classes that do not comply with the restored class size and composition provisions will become eligible to receive a monthly remedy for non-compliance effective October 1st (or 22 calendar days from the start of the class) as follows:

$$(V) = (180 \text{ minutes}) \times (P) \times (S1 + S2)$$

V = the value of the additional compensation;

P = the percentage of a full-time instructional month that the teacher teaches the class;

S1 = the highest number of students enrolled in the class during the month for which the calculation is made minus the maximum class size for that class;

S2 = the number of students by which the class exceeds the class composition limits of the collective agreement during the month for which the calculation is made;

Note: If there is non-compliance for any portion of a calendar month the remedy will be provided for the entire month. It is recognized that adjustments to remedies may be triggered at any point during the school year if there is a change in S1 or S2.

C. Once the value of the remedy has been calculated, the teacher will determine which of the following remedies will be awarded:

- i) Additional preparation time for the affected teacher;
- ii) Additional non-enrolling staffing added to the school specifically to work with the affected teacher's class;
- iii) Additional enrolling staffing to co-teach with the affected teacher;
- iv) Other remedies that the local parties agree would be appropriate.

In the event that it is not practicable to provide the affected teacher with any of these remedies during the school year, the local parties will meet to determine what alternative remedy the teacher will receive.
